

The McEachern Farm

Location: Caledon

Acreage: 57 Acres

Price: \$3,800,000.00

The McEachern Farm

This Grand Victorian farmhouse was built by the McEachern Family in 1860 and has undergone a full restoration and still retains numerous original details! Limestone windowsills, gingerbread trim, a spiral wood staircase, front porch to name a few.

Privately sited on 57 acres, this 3-bedroom home has a beautiful updated open concept kitchen which flows to the large dining room, a perfect gathering spot for families. Heated floors throughout. Large sun-filled family room with original plaster crown molding.

Large deck with hot tub, perfect for summer evenings.

Stunning views from every window. Including views overlooking the original stone ice house and bank barn or views towards the vegetable garden and open meadows.

The Mennonite restored bank barn features 5 stalls, wash stall, tack room, hayloft, large heated workshop and outside there are 3 good sized board paddocks.

The property is under a managed forest program for a lower tax rate.

Miles of trails for hacking or walking.

A special property indeed!
