Price: \$2,399,000.00

Farmhouse on the 8th Concession, King

Set on a picture-perfect 2-acre lot, this stunning century home blends timeless charm with over 3,000 square feet of beautifully updated living space. Renovated to preserve its historic soul while offering modern-day comfort, this unique property is a rare find just minutes from Highways 400 and 27—placing you close to Schomberg, elite private schools, and only 35 minutes from Pearson International Airport.

Inside, natural light floods the home's spacious layout. Three generously sized bedrooms capture sweeping views of the surrounding countryside, while the serene primary suite boasts a luxurious en suite, offering a private haven of relaxation. With three bathrooms this home ensures comfort and convenience for family and guests alike.

The inviting living room is anchored by a cozy gas fireplace, perfect for unwinding on cool evenings. The chef's kitchen is equally impressive, featuring quartz countertops, a large center island, oversized farmhouse sink, and direct walkout to a rear deck—ideal for entertaining with pastoral views as your backdrop.
